

# ONLINE LEARNING

The Davidson Institute for Talent Development and Davidson Academy offer rigorous, collaborative, online options that are specifically designed for profoundly gifted students.

## Davidson: Explore

[davidsongifted.org/davidson-explore](http://davidsongifted.org/davidson-explore)

Designed to be different than other online courses, the Davidson Institute for Talent Development is offering rigorous online, year-long, middle school courses for qualified applicants. Explore courses are designed and taught by Davidson Academy instructors.

Middle school level courses in all core subjects for students ages 9 to 13.

## Davidson Academy Online Campus

Open to US and Canadian students academically ready for our seventh-grade level curriculum and above, the Online Campus builds off the one-of-a-kind, exceptional framework put in place by the Davidson Academy in Reno. The result is a robust online community where students thrive.
