# Davidson Institute for Talent Development/Davidson Academy

# ONLINE LEARNING

The Davidson Institute for Talent Development and Davidson Academy offer rigorous, collaborative, online options that are specifically designed for profoundly gifted students.

# **Davidson: Explore**

davidsongifted.org/davidson-explore

Designed to be different than other online courses, the Davidson Institute for Talent Development is offering rigorous online, year-long, middle school courses for qualified applicants. Explore courses are designed and taught by Davidson Academy instructors.

## **Davidson Academy Online Campus**

Open to US and Canadian students academically ready for our seventh-grade level curriculum and above, the Online Campus builds off the one-of-a-kind, exceptional framework put in place by the Davidson Academy in Reno. The result is a robust online community where students thrive.

# Single Courses

davidsonacademy.unr.edu/online/ single-course-enrollments

# **Fulltime Enrollment**

davidsonacademy.unr.edu/online

Fulltime nationally accredited program starting with advanced middle school level coursework. Leads to a high school diploma.

Middle school level courses in all core subjects for students ages 9 to 13.

### Single-courses in math and English courses beginning where Davidson Explore ends.
