## Attachments to the Davidson Fellows Application

Attachments are to be completed by the applicant.

---

- ❑ **ATTACHMENT ONE:** Process Essay (The word count or length is up to the applicant.)
    - **Part One:** Please answer the following questions:
      - What inspired you to pursue this work?
      - How much time (hours/days/months) did it take you to complete this work?
      - How did you organize the work that went into doing it?
      - What difficulties did you encounter and how did you handle them?
    - **Part Two:** Please answer the following questions:
      - Where was the work completed?
      - Who supervised your work? (Give names, titles, addresses, e-mail, and phone numbers)
      - What help have you received in doing this work?
      - List who helped you and what assistance he/she provided. (Please include individuals who offered equipment, ideas, critiques, materials, methodology, etc.)
    - **Part Three:** Please tell us how Covid-19 has impacted your work. Be candid! It is important for the judging panel to know how the pandemic shutdown affected your work.
      - Did Covid-related closures impact your portfolio? If so, how did you adapt?
      - Did the pandemic affect your progress as a writer? If so, where do you think your craft would be at this point had there not been a pandemic?
      - Did Covid impact your portfolio in other ways?
      - Is there anything else you'd like us to know?
- 

### ❑ **ATTACHMENT TWO:** Video Describing Work

Submit a maximum 10-minute, home-production quality video recording. You are encouraged to speak “from the heart” in your video, rather than reading directly from a script. The video is a chance to talk about a topic not addressed in the essays or to expand upon a point the essays touched on only briefly.

Suggestions for the structure of the video:

- In the first few minutes, you could briefly describe your submission summarizing why it was done, its significance, its benefit to society/social relevance and other details of your accomplishment.
- Continue by describing how you became interested in this project, how it evolved and how working on it has helped you develop your talents.
- Next, describe how your submission fits into the larger context of the field of study and describe the specific ideas/people/theories that influenced your work.
- Conclude your video with a brief description on how you think your work/talent could be applied/highlighted.

*Please note there are two submission options for this video. Option one is uploading your video (via any accepted format) to YouTube\* and uploading the link to the online application. Option two is uploading a .wmv file that is no more than 75MB directly to the online application.*

\*YouTube video upload instructions:

- Go to [www.YouTube.com](http://www.YouTube.com)
- Either create an account (it's free) or sign in
- Click "Upload" in the top menu bar and follow the directions [here](#), to make the video **UNLISTED**. (The Unlisted setting insures that your video will only be viewed by the Davidson Fellows Program and its judges, or anyone else you send the URL to.)
- Copy and paste the link to this video as Attachment Three.
