Name It & Claim It!

We recommend labeling your participants items, especially commonly carried items like water bottles, sunglasses, hats, etc.

The easiest way for our campers to keep all their belongings is to label them – **every single item**. This includes clothes (even socks, underwear and shoes), towels, camera, and any other possessions you send to camp.

Neither the University nor the Davidson Institute accept liability for loss, theft or damage to any personal property, including during times students are away from the hall. Students should not bring valuable items with them.
