Attachments to the Davidson Fellows Application

All attachments are to be completed by the applicant. **The word count or length of the attachments is up to the applicant.**

Note: Applicants in all categories must submit attachments.

☐ **ATTACHMENT ONE: Process Essay (The word count or length is up to the applicant.)**

- **Part One:** Please answer the following questions:
 - What inspired you to pursue this work?
 - How much time (hours/days/months) did it take you to complete this work?
 - How did you organize the work that went into doing it?
 - What difficulties did you encounter and how did you handle them?
- **Part Two:** Please answer the following questions:
 - Where was the work completed?
 - What help have you received in doing this work?
 - Was your project completed through a paid program/mentorship? If yes, which one, who did you work with and in what capacity?

❑ ATTACHMENT TWO: Video Describing Work

Submit a maximum 10-minute, home-production quality YouTube video. Think of this as the conclusion of your application. You can speak freely or from a script; you can be as creative as you wish. This video is a chance to talk about anything not addressed in other parts of your application. Or, you can emphasize aspects of your project you feel are especially important.

Suggestions (these are only suggestions, feel free to use some, all or none) for the video:

- You can briefly summarize your submission, why it was done, its significance, its social relevance and any other details you'd like to highlight.
- You can describe how you became interested in this project, how it evolved and how working on it has helped you develop as a student and a person.
- You can also describe how your submission fits into the larger context of the field of study and describe any ideas/people/theories that influenced your work.
- You can discuss if you'll continue with this project, future work and plans, anything else you'd like to add to round out your submission.

*YouTube video upload instructions:

- Go to www.YouTube.com
- Either create an account (it's free) or sign in
- Click "Upload" in the top menu bar and follow the directions [here](#), to make the video **UNLISTED**. (The Unlisted setting ensures that your video will only be viewed by the Davidson Fellows Program and its judges, or anyone else you send the URL to.)
- Copy and paste the link to this video as Attachment Two.
- **Tip:** do **NOT** make your video private, if it's private, we can't view it.
- **Tip:** double check the link to make sure it works.

Application tips:

- Having an overarching theme to your portfolio gives it a cohesive throughline versus a random collection of work.
- Seek out someone else's input to help you edit your portfolio. Fresh eyes can also see grammar and spelling mistakes.
- This scholarship program and this category are **NOT** for students at the novice level.
